14-Key remote control
Slimline system remote for convenient operation of CD, volume an tuner contols.

Digital tuner with 29 presets
Provides fast, accurate tuning to your favorite stations. You can store up to 29 FM and AM stations in memory for fast, easy access.

Digital audio compact disc player
Compact Disc technology that combines superb digital sound quality with the convenience of random track access and CD functions like CD program, Shuffle Play and Repeat.

Repeat one/ all
Repeats the current track, the total CD, or your pre-selected program.

Shuffle play
Plays disc selection randomly, giving you a new sequence of tracks each time.

Stereo dual cassette deck
Play back recorded tapes on this full-function stereo cassette deck, and record from the built-in CD player or tuner.

AC/DC operation
Operates either on batteries or AC, using the detachable AC power cord.

Digital up/ down volume control
Precise, convenient volume control at the touch of a button.

Six-digit multi-functional display
Displays CD player information (track, playing time and play modes) and Tuner information (tuned frequency and stereo reception).

Stereo headphone jack
Enables stereo headphones to be used for private listening pleasure. Automatically switches off speakers when used.

Detachable speakers

Dynamic bass boost
Enhances bass tone frequencies to give deep, rich sounds.

CD-Rewritable compatible
Capable of playing both CD-Recordable and CD-Rewritable discs.

Electronic source select

20-track programmable
Stores up to 20 of your favorite CD CD tracks for playing back in your order of preference.

CD synchro start recording
Synchronizes the start of a recording on audio cassette with the start of a CD at the touch of a button.

Bass reflex speaker system
Acoustic system that enhances the upper bass tones to provide a warmer, punchier bass sound.
